

Tested in accordance with ASA 3581, the Pelican Pool and Spa Access Hoist allows a person with any disability to have access to both above and below ground spas, swimming and hydrotherapy pools – without any manual lifting.

It is suitable for use in public pools, leisure centres, private homes, nursing homes and schools. The unit can be mobile or fixed permanently at the edge of the Pool or Spa.

Easily installed on the pool deck by a handy person, or alternatively Ian Coombes Ltd can arrange installation for you. Every order is made to measure to ensure the Pelican Pool and Spa Hoist meets your pools needs.
