

ROBO-PLUS V2 Automatic Pool Cleaner

Spending more time
cleaning your pool
than enjoying it?

Then you need the
ROBO-PLUS V2 robotic pool
cleaner for your pool.

It's smart, powerful and it looks
great, but best of all, it really works!

The ROBO-PLUS V2 robotic pool
cleaner is designed to enhance
your pool cleaning experience.

All you have to do is place the
robot in the pool, turn it on and
it will clean the floor and walls
automatically. The self contained
filter bag means there is no need
to clean your sand filter after
vacuuming is complete. Simply
rinse the internal filter bag and you
are ready for the next clean.

Let a robot take the hard work
out of cleaning your pool

Enjoy more time in your pool than cleaning it **Spend** less on water bills
Improve water quality **Reduce** workload on your filtration system
