

# I-Cleaner 120C Automatic Pool Cleaner

Spending more time  
cleaning your pool  
than enjoying it?

Then you need the  
I-Cleaner 120C robotic  
pool cleaner for your pool.

It's smart, powerful and it looks  
great, but best of all, it really works!

The I-Cleaner 120C robotic pool cleaner is designed to enhance your pool cleaning experience.

All you have to do is place the robot in the pool, turn it on and it will clean the floor and walls automatically. The self contained filter bag means there is no need to clean your sand filter after vacuuming is complete. Simply rinse the internal filter bag and you are ready for the next clean.

Let a robot take the hard work  
out of cleaning your pool

**Enjoy** more time in your pool than cleaning it **Spend** less on water bills  
**Improve** water quality **Reduce** workload on your filtration system
